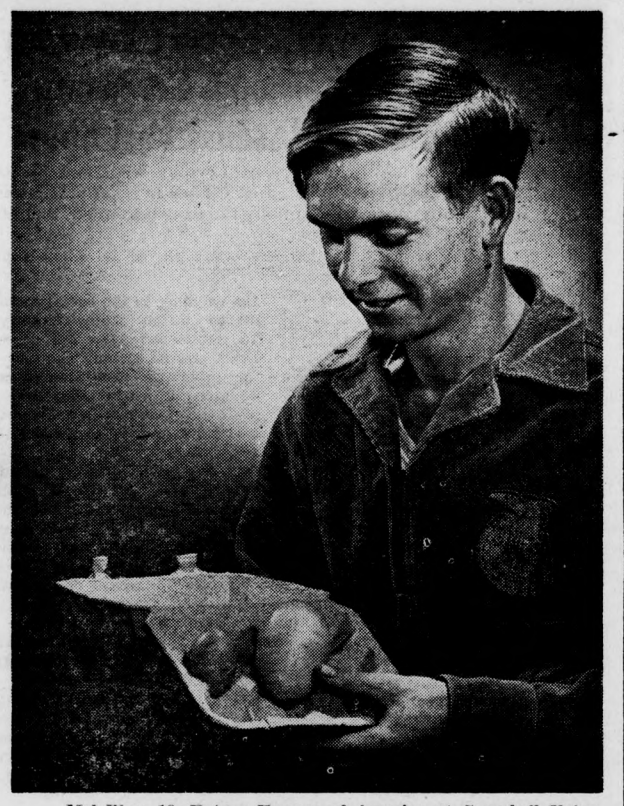
The Campbell Press

A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 56, Number 51 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Friday, October 13, 1950



Mel Blue, 19, Future Farmer of America at Campbell Union High School, is mighty proud of his eight New Hampshire red pullets and the pullets, in appreciation of his attention, have been doing better than best for the Future Farmer. One of the pullets, six weeks old yesterday, produced a whopping four-ounce egg this week. Standard extra-large size eggs weigh about one and three-quarter ounces. Above is the four-ounce giant, twice the size of a turkey egg and a good meal for a couple of people. Beside it is a large standard size egg. Two of the eight pullets have been consistently laying double yolk eggs. Daily output of the pullets is six to seven eggs. Blue is the son of Mr. and Mrs. Malcolm Blue of Whiteoaks Road. —Photo by The Photocenter.

Two Assembly Candidates To Speak At Campbell Chamber Meet Wednesday

Both the republican and democratic candidates for Assemblyman from the 29th district, Charles S Gubser and R. O. Del Mutolo, will speak at the general meeting of the Campbell Chamber of Commerce, called for Wednesday, October 18, at 8 p.m. in the Campbell library building. Both candidates have cross filed.

In an exclusive interview with the Campbell Press today, Gubser, a third generation farmer from Gilroy, stated that he is opposed to the extension of unemployment insurance to include agricultural workers.

"Adequate relief measures now exist for those workers our farms cannot absorb during the winter," he explained. Farm employment is so highly seasonal that the rules which apply for the employes of industry cannot possibly apply to agriculture."

Gubser went on to say that his primary aim, if he is elected to the State Legislature, will be to assist in bringing additional water to the Santa Clara Valley. He expressed the hope that all of the ideas advanced during the primary campaign by all candidates would be studied, and that those found to be practical would be put into effect. The candidate promised his best efforts toward that end.

The water proposals include: reclamation of sewerage water, completion of dams which have been started, Santa Cruz watershed water, San Lucas Rived water, Central Valley, Calaveras and Hetch Hetchy.

"By no means," the candidate concluded, "should we overlook our closest source of water — the Reber Plan. The latter plan contemplates making a fresh water lake out of lowed San Francisco Bay from waste water of the Sacramento River."

DEL MUTOLO

In a talk delivered before the Orchard City Grange Tuesday evening, Del Mutolo called for a "closer cooperation of farmers if they are to survive."

The former combat veteran told Grange members of his own experience as a prune, apricot and cherry rancher before the war.

Del Mutolo advocated abolishment of the 'open contract' arrangement with canners and presented his views on the valley water situation.

"The throttling cannery contracts and the scarcity of a water supply do not present a pretty picture for the prospective farmer of today," declared the candidate, "but there is hope in the future. "The Farm Bureau and the Grange call for a closer cooperation. The farmers must unite the same as the factories, the canners' league and the unions. They must cooperate and have available means of processing and preserving their own harvest if they are to survive."

FOOTLIGHTERS CHOOSE CAST OF 'BLITHE SPIRIT'

Main characters of Campbell Footlighters next play, "Blithe Spirit" were cast at a meeting of the group Tuesday night. The part of Charles will be played by Bert Legg. Betty Legg was chosen for the part of Elvira; Thais Ackerman, Ruth, and Rhoda Clark, the maid.

Three parts, still unassigned, will be cast later. The play, a bright comedy by Noel Coward, is scheduled for performance December 1. Dick Gordon of the Campbell Elementary School Music Department is the sponsor It is being directed by Marian Jacobson.

NEW OFFICERS

Officers for the year were elected at the meeting, and former president, Irene Hodges, turned the gavel over to Bert Legg. Elected with him on a white ballot were Rhoda Clark, vice-president; Alma Fanning, secretary and Warren Brown, treasurer.

Drama advisors for the coming year will be Kathy Kollmer, Budd Levenberg and Jeanne Sheeder.

George Nelson provided the entertainment for the evening. After the meeting the group adjourned to the home of LBen Howard for refreshments

Dr W. R. Morgan Lt. Governor Of Kiwanis Division

Dr. W. R. Morgan, member of the Kiwanis Club of Campbell, was elected lieutenant-governor of Division 12, California - Nevada-Hawaii District of Kiwanis International at the district's thirtieth annual convention held in Santa Cruz this week. Nomination was made by William C. Henley, president of the Campbell Club.

Dr. W. R. Morgan, a native of Carbondale, Pennsylvania, graduated from the College of Physicians and Surgeons as a dentist in 1929. He married the former Evelyn Hansen, daughter of a pioneer Fresno family, and moved to Campbell in 1933. The couple's son, Gene, is a student at Campbell Union High School.

Dr. Morgan has served on Boy Scout committees in this district since coming to Campbell. He is a member of the Campbell District Boy Scout committee and of the Union School Boy Scout troop committee.

He has been a trustee of the Union School since 1943.

The division officer is a past president of the Campbell Kiwanis Club, having led the club in 1939, and he served as secretary for five years. He is a past president of the Campbell Chamber of Commerce, member of the Santa Clara County Dental Society. He has been a Masonic lodge member for 28 years.

A former member of the Campbell club, Jack E. Murdock, now of Korbel, also received Kiwanis recognition at the convention. He was elected lieutenant governor of division 20.

Christian Science Sunday School Building Opening

Opening date for the Christian Science Sunday School building at Main and Villa Streets, Los Gatos, has been set for this Sunday, October 15, at 11 a.m.

The building follows the colonial architecture of the church edifice and was designed by architect Harry A. Lincoln. It has a seating capacity of 125 in the auditorium which has rostrum and desk of fitting design, 18 classrooms, superintendent and secretarial offices waiting room and tile finished rest rooms.

An infants care room has been provided, complete with cribs, toys and other equipment. Attendants will supervise the care of small children during the hour of church service.

Cherry Tree Meeting Postponed Until November 9 By Garden Club

The community meeting on the cherry tree planting program originally slated for October 31, has been postponed until Thursday, Novoember 9, since the first date fell on Hallowe'en.

Campbell Garden Club, Inc., is sponsoring the program to plant Kwanzan cherry trees along Campbell streets to beautify the community. Representatives of all Campbell organizations and individual residents, are urged to attend the meeting November 9 in the Campbell High School Little Theatre. The club will donate 100 trees toward the project.

The following letter has been sent by the club to the various local organizations, inviting their participation

"Fellow Campbell Residents:

"The Campbell Garden Club has launched a tree planting program for the town of Campbell. We are all proud of our town, but are sorry to say that the neighboring towns and cities don't think as highly of our town as we do. We would like to make our town the most beautiful in the state. That is why we chose the Kwanzan Flowering Cherry, as it far surpasses all flowering trees for beauty. It is not difficult to grow, has no pests to speak of, and is an all round perfect tree for curb space or lawn planting. If we can get quantities of these beautiful trees planted all over town, we will have a place that people will drive many miles to see. It would be wonderful to be known as the "Cherry Tree Town," and to have people say "Have you driven through Campbell, and viewed the cherry trees? They are beautiful."

"The Garden Club has set aside the money to purchase one hundred trees, to be planted in conspicuous places. Mr. Hill and Mr. Henley will cooperate in the school plantings. Several private parties planted last year, so we are off to a good start. However, we now feel that the Garden Club cannot do it alone. We would like to have a committee made up of members from each organization, to be known as "The Tree Planting Committee of Campbell." Naturally, we should have people on the committee who have some enthusiasm for the project, so it will be pushed from all directions.

"Would you kindly appoint a member, or members, of your organization to serve on this committee? We would like to have a meeting in the Little Theatre at the Campbell High School on Thursday evening, November 9 1950, to talk over plans and get our program under way. January February and into early March is the best time to plant. The Campbell Nursery, at Winchester and Latimer, is stocking the trees, and giving Campbell residents a reduced price.

"Shall we get together and make this the prettiest town in the state? Please call Mrs. Henry Parysek, President of the Garden Club, Milton Avenue, Phone Campbell 2065, and let her know your committee member and if he or she can attend the November 9 meeting.

"Let's go all out in a big way to beautify our town Thank you.

"THE CAMPBELL GARDEN CLUB"

MARRIED

DOUGLAS V. STRONG, 24, Campbell, and SHIRLEY JUNE KAISER, 18, San Jose.

OES CHAPTER OBSERVES 6th ANNIVERSARY

Past matrons and patrons were honored at Campbell Order of Eastern Star Chapter 553 meeting October 6. This was the formal observance of the chapter's sixth anniversary.

Marie Hendricks, chairman of the evening, presented a beautiful anniversary cake for the refreshment hour. She was assisted by the 1950 year officers.

Among past matrons and patrons who served as officers were Thelma Aker, matron; Ray Martin, patron; Marie Suess, associate matron; William Scott, associate patron; Virginia Currie conductress; Luella Ryan, treasurer; Sue Miller, secretary; Ella Elkey, marshal; George Jeffers, warder, and Mae Hartwell chaplain.

Visitors presented were: Hazel Shannon, Jarman chapter, and Fred Johnson, Oakleaf chapter, Oakland.

Dancers and singers from the Andreuccetti school presented the program.

Teachers' Assn Has Barbecue For Families

Members of Campbell Teachers' Association started off the year's activities last week with a barbecue and an evening of informal entertainment at the high school cafeteria. The get-together was a family affair with husbands, wives and children invited.

PROGRAM

Skits, games and impromptu numbers made up the entertainment that was MC'd by program chairman Ben Ziegler. The program committee included Carolyn Coons, Thelma Wathen, Bill Shuey, Marc Swengel and Dick Gordon. Pat Freeman, Eda Belle Little and Jack Barrett provided the music.

Arrangements for the dinner were made by Irma DiBenedetto assisted by John Duncan. Walt Williams was chef for the dinner.

Joan Pfeiffer, San Tomas teacher, and a teacher last year in a U. S. Army school in Japan, showed colored slides she had taken in Japan. She told of Japanese customs and her trips to various Japanese islands

CONFERENCE DELEGATES

Five members were appointed by the executive board to attend the October 27-28 conference of the Bay Section, CTA, at Asilomar. These will be Thelma Wathen, Calvin Roll, Angie Perry, Dick Gordon and Allene Seese.

Gordon was appointed by the executive board as representative to the Bay Section, CTA.

Atomic Energy Roundtable Slated

Mr. Jack N. Marsh, of Campbell, a veteran of World War II and a member of the AFL Teachers' Union, will be the moderator at an Atomic Energy Roundtable Monday, October 30, at 8 p.m. in the San Jose AFL Labor Temple, behind the DeAnza Hotel.

Four men will speak on the question: "Shall Atomic Energy be Used for Construction or Destruction; Will There Be One World or Death?"

Those on the program will be: Dr. Leonard I. Schiff, head of the physics department at Stanford University, former staff member of Los Alamos atom bomb project and professor of nuclear physics. He took part in the founding of the American Federation of Atomic Scientists.

Stephen Thiermann, executive secretary of American Friends Service committee, graduate of the University of Wisconsin law school and former legal counsel for National Mental Health Foundation.

Dr. Paul Kirkpatrick, professor of physics at Stanford University, formerly of University of Hawaii and China. He received graduate training at the University of California and California Institute of Technology.

Peter A. Szego, World War II veteran, graduate of Stanford School of engineering, now working for his doctorate.

The Rev. J. Wesley Farr of the First Methodist Church, San Jose, will give the invocation The meeting is sponsored by the United AFL political and educational committee of Santa Clara County.

NUPTIALS SOLEMNIZED

LOUIS P. BARBACCIA, 21, Campbell, and EVA M. BENEVENTO, 20, San Jose.

Business and Professional Women Observe Club's 23rd Anniversary

Campbell Business and Professional Women's Club, in conjunction with similar organizations throughout the nation, will observe National Business Women's Week, October 15 to 21. The National Federation of Business and Professional Women's Clubs, Inc., will observe its twenty-third anniversary next week.

"Measure Up for Full Partnership" is the theme for the observance, which will stress, "keep informed, be active and take part" to its hundreds of members throughout the nation.

During the past year the Campbell club has sponsored an essay contest for high school girls on the theme "My Career." Awards of $15, $10 and $5 were presented the three winners.

The club also sponsored organizatioon of the new Burbank-Beverly-Bradley club, now called Las Tres Bes. Campbell BPWC entered a float in the Old Settlers' Day parade last February, sent Thanksgiving and Christmas baskets of food to needy families in Campbell, and participated in three parties given at the Veterans Administration Hospital in Palo Alto. In addition it assisted the Red Cross in managing a booth at the hospital carnival in July.

Two local delegates attended the national convention of BPW held in San Francisco during July. Fourteen member attended the district convention at Asilomar September 22 to 24.

A rummage sale was sponsored in August to raise funds for the club's civic projects. BPW members aided the current Community Service Fund Drive as volunteer solicitors.

Social events during the past year included Christmas and Valentine parties, a July barbecue, plus dinner and dessert meetings.

Outstanding speakers who addressed the organization meetings have been Lila Swasey, junior past president of BPW; Dr. Gladys Smutt, radio and television chairman for the state BPW federation. Campbell Attorney Norman Stoner was the speaker at the club's meeting on September 27. Attorney Richard Morton spoke before the group Wednesday night of this week.

Current officers of the local group are: Cecile Schad, president; Dorothy Ellis, vice-president; Alice E. Schmidt, recording secretary; Doris Jensen, corresponding secretary; Leah Johnson, treasurer; Mary Gray, auditor; Irene Hodges, parliamentarian; Marian Hill and Gwendolyn Steindorf, directors.

Membership in the Campbell club now totals 51, including 11 new members welcomed this year.

Gwen Steindorf Heads Women For Warren Division

Mrs. Frank (Gwendolyn) Steindorf, Campbell club leader, was today named chairman of the Women's Division of the Warren for Governor Committee by Forrest Reese, Campbell chairman for the committee. Mrs. Steindorf accepted the appointment today, promising to lend her efforts to the committee's endeavor to insure continued good government for the state through re-election of Governor Earl Warren

Mrs. Frank Steindorf, chairman of Women's Division, Warren for Governor Committee.

At a meeting of the WFG committee last night in the Campbell Press office, plans were mapped for the all-out campaign to return Warren to office A budget of $500 was set up for the committee.

Present were Chairman Reese, William Lloyd, co-chairman; Herbert M Shadle, secretary; Robert Flicks, treasurer; Mario Saia and Wilbur Mitchell, finance committee members.

Reese urged all Campbell residents interested in continuation of good government to send their campaign contributions to him as chairman, care of the Campbell Press, or to Mr Hicks, care of the Ainsley Corporation, Campbell.

Inchon Landing Reported In Navy Man's Letter

Ernest W. Smith, S 1/c, now with the U.S. Navy in Korean waters, writes an interesting report on the UN forces activities in the war theater. Following are excerpts from a letter written to his parents, Mr. and Mrs. Harry A. Smith, 21 Sunnyside Avenue, on September 17:

"There's been a lot of excitement around here the last few days. We were in on the big invasion at Inchon. We got the chance to put into use everything we've practiced in maneuvers for the last two years.

"About 5:45 a.m. we launched all the boats and landing craft from our ship. At 6:00 we loaded troops into the boats. At the same time ships and planes began bombing the shore. We stayed at our battle stations all day long and saw all the action.

"The landing was a big success with few casualties. Until this morning we hadn't any enemy air attalks, but about 6:00 two enemy planes attempted an attack on one of our cruisers. One plane was hit, the other got away.

"I don't know where we go from here or how soon or when I'll get a chance to send this. We haven't had any mail for four weeks. Our chow supply is running low so we are being rationed."

Ernest also requests a renewal of his subscription to the Campbell Press which has followed him around during the three years he has been in the Navy.

GEORGE BALDWIN, RETIRED SP MAN, CALLED BY DEATH

Only three short months after he and his wife observed their golden wedding anniversary, George Wiest Baldwin, 86, died Sunday evening at 9 o'clock at his home, 31 S. Second Street. Mrs. Baldwin and their four children were at his bedside when death came.

Funeral services were conducted Tuesday at 2 p.m. from the Rutherford Funeral Home, followed by interment at Los Gatos Cemetery. The Rev. Lawrence Osborne of the Campbell First Methodist Church officiated at the final services. Mrs. Marjorie Martin was the soloist.

Honorary pallbearers for the funeral were all members of the Pioneer Club, a group of elderly Campbell citizens which both Mr. and Mrs. Baldwin helped to organize last year.

Mr. Baldwin leaves his widow, Clara Beebe Baldwin; daughter, Mrs. Ellen Brown of Willits; three sons, Chester and Alvin Baldwin of Oakland, and Levant Baldwin of Willits, and 10 grandchildren.

Mr. Baldwin was born in Georgetown, El Dorado County, California, on June 7, 1864. His birthplace was in the Mother Lode country, just six miles from the spot where Marshal discovered gold. Mr. Baldwin's parents crossed the plains in 1853. His father was a miner.

At the age of 21, Mr. Baldwin moved to Oakland to work for the Southern Pacific Company. He was in charge of the company supply department in the west Oakland car yards for many years.

He married Clara Beebe, also a native of California, in Oakland on July 3, 1900. The couple moved to Campbell in 1914. They resided here for 10 years, then moved back to Oakland to live until their children were married. Thereafter they returned to Campbell to establish their permanent home.

Last July 3, Mr. and Mrs. Baldwin greeted friends and relatives from all parts of the state who came to help them observe their fiftieth wedding anniversary. Seventy-five signatures were registered in the guest book that day.

Mr. Baldwin, a former member of the United American Mechanics of Oakland, retired from railroad employment about 35 years ago, shortly before moving to Campbell. He was a member of the Campbell First Methodist Church for many years, having joined it 35 years ago when the now retired minister, the Rev. W. H. Lloyd, occupied the pulpit.

Charles Sanchez Held To Answer On Check Charge

Charles E. Sanchez of Campbell was held to answer in Superior Court following his preliminary hearing on a bad check charge Wednesday afternoon before Campbell Justice of the Peace Martin S. Walsh.

Bail was set at $1,000, and Sanchez was remanded to custody of the County Sheriff.

Anderson Offices Are Re-opened

Congressman Jack Z. Anderson has re-opened his San Jose offices, at 201 Bank of America Building, for the Congressional recess expected to last until November 27th.

Anderson received the nomination of both major parties in the Spring primaries. Now serving his sixth term, he has five times been selected as the nominee of Democrats and Republicans at the primaries.

The Congressman will conduct Federal business for constituents and fill a number of engagements while in the district. His chief secretarial aides, Mrs. Matilda Lindsay, and Miss Jean Gordon are in charge of the San Jose office.

Trio Places First In Palo Alto's Concert Auditions

A trio from Campbell Union High School was among first place winners in the spring auditions for the Youth Concerts of Palo Alto and south peninsula. The trio, Joyce Klassen, pianist; Beverly Clawson, violinist, and Mardel Sanders, 'cellist, will appear with other first place winners in the four concerts to be offered for young people during January and February.

The one-hour concerts have been scheduled for Sunday afternoons, January 28, February 4, 11 and 18, in the adult theater of the Palo Alto Community Center.

Awards Tonight At Jeffers For Shopping Event

Drawings will be held at Jeffers' Men and Boys Wear store tonight to select winners of the Friday night Campbell shopping awards.

Last week's winners were: Janice Brown, 85 N. Central, Campbell, $15 merchandise award; Joe Prestiomono, 949 N. Santa Cruz Avenue, Los Gatos, $10; A. O. Dahl, 488 Maple Avenue, Campbell, $5.

Secretary-manager Forrest Reese said certificates of award are in the mail for these three.

Fireman Injured

A San Jose fireman, Paul McKevitt, 33, suffered serious injuries Wednesday night when his car went out of control and crashed into two telephone poles on Winchester Road south of Casey Road.

McKevitt was taken to Santa Clara County Hospital.

DOUGLAS STRONG CLAIMS SHIRLEY KAISER AS BRIDE IN LUTHERAN CEREMONY

Now honeymooning in Lake County at the Hoberg Resort are Mr. and Mrs. Douglas V. String who were married Sunday, October 8, in the Trinity Lutheran Church in San Jose by the Rev. W. H. Schroder.

The former Shirley June Kaiser is the daughter of Mr. and Mrs. Peter Kaiser of San Jose. She graduated from Campbell high school and attended San Jose State College

The groom is the son of Mr. and Brs. B. R. Strong of Campbell. He graduated from Campbell High school and attended San Jose State College.

Wearing an eggshell white satin wedding gown with a beaded nylon bodice, the bride was escorted to the altar by her father. A crown of seed pearls held her fingertip veil in place. She carried a bouquet of bouvardia surrounding a white orchid with white satin streamers on a small, white Bible.

Maid of honor Miss Virginia Mills was attired in a beige satin frock and carried a bouquet of yellow chrysanthemums with beige streamers. Bridesmaids were the Misses Shirley Pannekoeck, Jean Jensen, and LaVerne Siebert, who wore brown satin dresses and carried bouquets of yellow chrysanthemums. All of the bride's attendants wore nylon gloves and bonnets. The flower girl, Miss Linda Schneider, was attired in gold satin and carried a small basket of yellow pompom chrysanthemums.

The bride's mother wore a hunter green suit accented with brown accessories and an orchid corsage. A navy blue suit with navy blue accessories and an orchid corsage was worn by the mother of the groom.

Best man was Charles Howe. Ushers were Neal Kennedy, Dick Stevans, and Rex Jeffers. Alan York and Claude Grizzle were the candlelighters.

Organist Mrs. D. R. van Rossem played the wedding marches and accompanied Peter Horn, who sang "Because" and the "Lords Prayer."

A four-tiered cake was cut by the bride at a reception given in the Mary Ann Gardens in Willow Glen following the ceremony.

The new Mrs. Strong wore a beige suit set off with brown accessories when the couple left on their honeymoon. They will live in Campbell when they return.

CAMPBELL REGISTER

MR. AND MRS. W. C. BRYANT send word that they have traveled through Montana, where they visited relatives and friends, then headed for Chicago, through South Dakota and Iowa. Last weekend they were in Kentucky and Ohio and saw a horse race Saturday.. They enjoyed seeing processing of tobacco in Kentucky. They are now headed toward home in Campbell and plan to stop over in Indianapolis a few days, then on to Chicago Heights for a family reunion. They plan to be home about October 23.

MRS. CORWIN H. OLDS has been in Eugene, Oregon, for a couple of weeks where she is visiting her daughter, Mrs. Delbert Carter.

Katherine Bower, Robert Loveday Married In Afternoon Ceremony

Miss Katherine Bower and Robert Loveday were wed by Rev. L. J. Osborne in the Campbell Methodist Church in an afternoon ceremony Sunday, October 8. The bride is the daughter of Mr. and Mrs. P. L. Bower of Campbell.

The traditional wedding marches were played by Miss Joline Howard, organist. Mrs. Gregory Parker sang "The Lord's Prayer" and "Beloved, It Is Morn."

Miss Bower, who was escorted to the altar by her father, wore a white slipper satin gown which was trimmed with lace along the edge of the peplum which flowed down the back as a train. The neckline was softly draped and was caught with seed pearl flowers and the long, teardrop sleeves were buttoned at the wrists. A crown of seed pearls held the finger-tip veil in place. She wore a strand of pearls which was the gift of her mother. Her bouquet was composed of bouvardia, tube roses, and an inserted corsage of two white orchids.

The couple knelt on a crocheted scarf, made by the bride's sister, to exchange vows.

Attending the bride as matron of honor was Mrs Owen Mason of Los Gatos who wore a green taffeta gown and carried a bouquet of pink rooses with loops and streamers of pink satin. Bridesmaids were Miss Pauline Cleveland of Campbell and Miss Dorotohy Brown, niece of the bride. They were attired in gowns of pink marquisette and carried French bouquets composed of pink roses and light blue delphiniums surrounded by white stock. Miss Patricia Hirschler of San Miguel, also a niece of the bride, was flower girl. She wore a gown of pink taffeta and a headband of pink roses. The small, white basket which she carried contained pink chrysanthemums and light blue delphiniums.

The benedict is the son of Mr. and Mrs. Walter Lamb of Campbell. Best man was his brother, James Loveday. Ushers were Bruce Bobbit and James Neal.

The bride's mother was attired in a beige-grey suit with navy blue and pink accessories and wore a cattleya orchid corsage. The mother of the groom wore a grey suit accented with black and pink accessories. Her corsage was also a cattleya orchid.

The bride cut a four tier cake at the reception following the wedding in the social room of the church. Approximately 75 guests attended the ceremony and reception. The serving table was decorated by a bouquet of white chrysantemums, gladiolas, gardenias, and varigated ivy in a tall silver vase.

Out - of - town guests included Mr. and Mrs Edwin Hirschler, Robert and Patricia of San Miguel; Mr. and Mrs. J. W. Neal, James Jr., Kent and Juanita of Salinas; Miss Dorothy Brown of Bradely, Mrs. Dora McLaren of Graham, Texas; Mrs. Nanie E. Akers of Paso Robles, Mrs. Flora Wade of Dos Palos, Miss Verna Jean Miller of Mt. View, and Mr. and Mrs. E. P. Lamb of San Francisco.

After the reception the couple left for Morro Bay in Southern California where they spent their honeymoon. The bride's going-away outfit was a burgundy suit set off by grey accessories.

The couple are now at home at 165 Kennedy Avenue in Campbell.

San Tomas Whist This Saturday

A public whist party will be given this Saturday evening, October 14, at 8 o'clock in the San Tomas school. There will be special events and refreshments.

Those serving on the committee are Mesdames Homer Epperson, Frank Welch, Milton Parker, Don Lukehart and Fred Smith.

WSCS Circles Plan Meetings

Members of the Women's Society of Christian Service of the Campbell Methodist Church will hold their circle meetings next week, October 17 and 19.

Circle One — October 17, 1:30 p.m., at the home of Mrs. Fred Fellman, 131 Second Street

Circle Two — October 17, 1:30 p.m., at the home of Mrs. Malcolm Sprague on San Jose-Los Gatos Road

Circle Three—October 17, 1:30 p.m., at the home of Mrs. Ralph Schaeffle on Carlyn Avenue

Circle Four—October 17, 8:00 p.m., at the home of Mrs. Lester Ackerman, 317 Esther Avenue.

Circle Five — October 17, 8:00 p.m., at the parish house with Mrs. L. E. Brandon as hostess.

Circle Six — October 19, 1:30 p.m., at the home of Mrs. Harry Wilson, 10 Bruce Avenue, Los Gatos.

Anita Simmons, Ronald Flagg Soon To Be Wed

The engagement of Anita Marie Simmons to Ronald W. Flagg was announced at a family dinner given recently in Campbell at the home of Mr. and Mrs. R. J. Flagg, parents of the benedict-elect.

Miss Simmons is the daughter of Mr. and Mrs. B. B. Simmons, formerly of San Jose, now living in Flagstaff, Arizona. She graduated from Campbell high school. While attending San Jose State College, she was affiliated with Gamma Chi Beta. She also attended Arizona State College at Flagstaff.

After graduating from Campbell high school, Mr. Flagg also attended San Jose and Arizona State colleges.

The wedding is to be held November 26 in the Campbell Methodist Church.

PTA TO FETE SAN TOMAS STAFF AT TEA

A tea honooring William A. Shuey Jr., San Tomas School principal, and teachers of the school, will open the San Tomas Parent-Teacher Association's season activities on Thursday, October 19 at 2:30 p.m. Mr. Shuey will be a speaker at the gathering.

In a new program beginning this year, the school will hold open house from 2 to 2:30 p.m. on the day of each PTA meeting. Parents will be able to visit their children's classrooms and observe the children's work

San Tomas PTA will have its monthly meetings on the third Thursday of each month beginning at 2:30 p.m. All parents and friends in the area are invited to participate in the PTA program.

Pupils Present High School PTA Music Program

First Fall meeting of the Campbell Union High School Parent-Teacher Association opened Wednesday evening with a potluck supper attended by 275 parents teachers and friends.

After the supper the president, Mrs. Ben Howard, opened the meeting which featured a musical program presented by a group of the High School students.

Gilda Mayante, accompanied by Joline Howard, played a violin solo, after which Frank Wilty entertained with two accordion numbers. Ripple Langdon, accompanied by Rosalie Magnasco, sang "With A Song In My Heart" and "At Sundown."

Mrs. J. W. Knowles reported the variety show given last Saturday night was a splendid success and expressed thanks of the organization to Kenneth Wallace who, with Mrs. Betty Youngman as co-chairman, produced the versatile and entertaining program.

Mrs. Knowles also reported that a news item had appeared this summer in the Christian Science Monoitor concerning the plaque presented to Mr. J. A. Rodgers in appreciation of his many years of careful bus driving for the school pupils.

Mrs. LBen Howard announced that a hobby show to be presented by freshmen students was being planned and invited all to attend.

As legislative chairman, Mrs. Knowles spoke on the two propoositions which will be considered by the voters at the November election. She explained that the PTA takes no active part in politics unless the measures to be voted on threaten the welfare and security of school children and the school system. Such, she said, is the nature of Propositions 1 and 6, for both of which she asked a "No" vote.

Mrs. I. L. Kaufmann gave a spirited talk on Parent-Teacher magazine, after which the high school district superintendent, Laurance J. Hill, was introduced by Mrs. Howard.

Hill, in turn, introduced the 55 teachers in the school and explained that in addition to teaching school classes, each teacher is responsible for some school activity.

Mrs. May Martin, Sixth District music chairman, told of the work of the Mothersingers of the PTA and sang one selection, accompanied by Lorraine Wood.

Teacher Kenneth Wallace, who travelled through 15 European countries last summer, gave a talk on the trip, illustrating it with colored slides and recordings.

Next regular PTA meeting will be on November 8. Supper will be served in the school cafeteria.

Navajo Indian men are expert silvercraftsmen.

Moorpark PTA Hears Report On School Growth

Over 75 parents were present at the first meeting of the Moorpark Parent-Teacher Association for this school year and heard William C. Henley, Campbell Elementary School district superintendent, discuss the increasing school population in the district and explain several building projects that have been proposed to provide additional accomodations at the three existing elementary schools.

The meeting was held Tuesday evening at the school cafeteria. The budget and program for 1950-51 were read and both were recommended for adoption by the group. It was also recommended that the surplus of $208.36 left from the previous year's budget be used for redecorating the teachers' room and purchasing records and musical instruments.

It was announced that a membership drive would be held from October 17 through 27 and that a rag drive will be held on January 10. The carnival brought a net profit of $461.25, according to the carnival committee's report.

Mr. John Duncan, principal and all Moorpark school teachers were introduced. The award for having the largest number of parents present was won by Mrs Omstead's kindergarten class.

Refreshments and a social hour followed the meeting.

Laurance J. Hill Speaker For WSCS Meeting

Laurance J. Hill was the speaker at the Women's Society of Christian Service meeting held in the Campbell Methodist Church on Thursday, October 12. Roosemary Magnasco played several numbers on the piano.

"Health in This Community" was the subject spoken on by Mr. Hill. This was in connection with the general theme of the WSCS this year which is "By saving health among all nations—".

Luncheon was served by Circle Five with Mrs. C. F. Helmbold as chairman of the day.

Moreland PTA To Have Potluck At High School

Due to lack of facilities at the school, the monthly meeting of Moreland Parent-Teacher Association which is to be a potluck supper will be held October 18 at the Campbell Union High School cafeteria which has been placed at the group's disposal by Superintendent Laurance J. Hill.

Supper will start at 6:30 p.m., and will be followed by a short business session conducted by the president, Mrs. Kenneth Bitzer.

Leonard McConnell of the Family Service Agency will speak on "The Impact of Family Relationships on the Development of the Child's Personality."

Movies will be shown for the children.

Garden Club To Discuss Fall Show

A round table discussion of the fall chrysanthemum show to be held Wednesday, November 1, at the Country Woman's clubhouse, will be conducted at the Wednesday, October 18 meeting of the Campbell Garden Club., Inc. The show will be open to the public which is invited to exhibit blooms.

Mrs. Felix Bersano and Mrs. Mitchell Lobrovitch are co-chairmen of the show. Names of committee members will be announced later.

Also scheduled for next week's club meeting is an exchange of plants by members.

Hoisting machinery used in the Butte, Montana, copper mines is capable of lifting 15 tons of ore from a depth of 5000 feet in less than two minutes.

Orchard Grange Reviews History At Booster Night

Officers of the Orchard City Grange gave talks on Grange policies, aims and history at a Booster Night program Tuesday evening.

The 125 members and 17 visitors heard Grange Master Martin S. Walsh outline the civic activities of the organization. Among these are support given the Future Farmers of America at Campbell Union high school; rehabilitation and care of trees along Santa Clara-Los Gatos Roaod near Vasona Junction; replacement of dead trees with living trees as living memorials to departed Grangers.

Mrs. Elizabeth Emery, the chaplain, told the gathering the Grange does not interefre with religious or political outlooks, but supports honesty, morality and temperance in all things. The welfare committee visits sick members.

Lecturer Wesley Youngclaus reminded listeners the Grange has a lecture hour program which includes readings, discussions, music, games and movies. Guest speakers often are invited.

Harry Barnes reported that the agriculture committee which he heads is pledged to procure information on new methods of combatting plant disease or in building up the soil. It is on the mailing list to receive latest information from the College of Agriculture.

Mrs. Mae Walsh, Ceres, said that since the national Grange was organized in 1867 members have labored to preserve freedom in America. The U. S. Flag stands near the master's station.

Women take equal part with the men in ritualistic work of the Grange, Mrs. Walsh states as Home Economics chairman.

Young people over 14 may join the subordinate Grange and children under five may remain in the hall during the closed meeting.

LONG ESTABLISHED

Orchard City Grange was organized on April 1 (April Fool's Day) 1903, said Secretary Herbert M. Shadle, but it has been anything but a joke because the Grange has been an importoant factor in the lives of its members and the community as a whole. C. D. Harvey organized the group and Frank Mitchell was the first master. Mrs. Jessie Campbell and Mrs. Charlotte Sutter are the only surviving charter members.

The Home Economics committee was organized in 1927 as the Orchard City Grange Auxiliary, with Marie Barnes as its first president. In 1933 it became the HE committee with Kate Mitchell acting as chairman.

MASTERS

Those who have served as masters of the group are: Frank E. Mitchell, Dr. E. C. Abbott, A. C. Keesling, Joseph Bohnett, H. G. Keesling, J. E. Wiesendanger, E. K. Glendening, Robert Scholz, Stanley B. Smith, William R. Coupland, H. V. Archibald, Louis Shelley, Harry Barnes,

S. N. Hedegard, William H. Woodbury, Lawrence E. Hendricks, L. L. Merrill, Werner J. Raab, Jessie K. McChesney, M. Hughes, J. C. Gordon, Herbert M. Shadle, and Martin S. Walsh.

Also receiving honorable mention were Edna F. Keesling, secretary for 25 years; Mervyn and Leone Keesling and Joseph McKinnon, who have given of their time and talents in many ways.

Organizations sponsored by Orchard City Grange are: Grange Business Organization, Grange Compensation Insurance, Grange Fraternal Fire Insurance Association. California Physician's Service, West Valley Hospital District and Future Farmers of America.

Highway projects sponsored and supported have been: traffic signals at the corner of Hamilton Avenue and San Jose-Los Gatos Road, corner of Winchester Road and Campbell Avenue, and widening of 101 highway between San Jose and Gilroy.

A visitor at the meeting was R. O. Del Mutolo, candidate for state assemblyman and brother of Superior Judge M. G. Del Mutolo. He presented his farm background as a qualification for the office.

Refreshment committee members were Mr. and Mrs. H. Weitzel, Mr. and Mrs. Jerry Locke and Mrs. Mildred Husted.

Square dancing to the music of Mervyn Keesling rounded out the evening program.

Louis Barbaccias Plan To Reside In San Jose

Eva M. Benevento and Louis P. Barbaccia were wed Sunday, October 8, at the 12:15 mass in the Holy Family Church in San Jose by Rev. A. J. Rocetti.

The bride is the daughter of Mr. and Mrs. Benevento of San Jose. She graduated from Campbell high school.

Parents of the bridegroom are Mr. and Mrs. P. J. Barbaccia of Campbell. Their son also graduated from Campbell High school.

The wedding gown of the bride was of satin and lace with an off-the-shoulder neckline which was trimmed with seed pearls. Her full length veil was held in place by a crown of seed pearls. She carried a bouquet of bouvardia with an rchid in the center.

Attending the bride as matron of honor was Mrs. C. G. Barbaccia who wore a peacock blue frock and carried a bouwere Mrs. Frank Benevento, santhemums. Bridesmaids quet of shrimp-colored chry- Jr., and Mrs. Matthew La-Monica who were attired in dresses of shrimp - colored satin. Their bouquets were of shrimp - colored chrysanthemums.

The mother of the bride wore a grey dress sett off with black accessories and an orchid corsage. The groom's mother wore a taupe-colored dress with black accessories and an orchid corsage.

Best man was Mr. C. G. Barbaccia, brother of the groom. Ushers were Nick Barbaccia and Frank Benevento, Jr.

Following the wedding a family dinner was given at Lou's Village. A six tier cake was cut at the reception held at the Majestic Ballroom that evening, which approximately 500 guests attended.

The bride was wearing a grey suit accented with pink and black accessories when the couple left on their honeymoon trip to Canada.

Gl In Korea Tells Of Hardships

Mrs. A. A. Arends has received a letter from Kenneth L. Wamsley, sergeant first class, with news of her nephew's activities in Korea.

Excerpts from the letter follow: "I went out on a task force about a month ago on the Naktong River and just returned a couple of days ago. I was a line soldier in the infantry for about seven years before I went in the office so was picked first.

"It was quite an experience but I hope I don't have it again. I did take the only live prisoner in 22 days by our group.

".....Our unit has been cut to pieces but I believe it has broken up the N. Korean army doing it We had one company, 200 men, who held for two days against two regiments about 6000 men. At the end of that time they had 28 men remaining and they would have stayed until the last. We heard yesterday two of our regiments broke out of this bridgehead and drove 40 to 65 miles so guess it won't last much longer.

"I'll let you in on a secret. I guess 90 percent of packages we receive here are torn up or spoiled. During the last war I received one in 1944 that was mailed in 1942.

"I sure would like the Reader's Digest. We get some from Japan, but hardly ever get my hands on one.

"Life here except for the first two weeks after we landed was pretty bad. We dug in each night and had to stay on guard; two men get in a fox hole, one sleeps while the other watches (if you can). It seems to rain about half the time and about midnight when you're tired of bailing out the water and it gets about a foot deep in the hole, you think things couldn't be worose, Then they throw in a dozen or two mortar shells or some sniper starts firing. It makes you wish you were in the Air Corps or Navy or something.

"I shot a deer the other day. Didn't know he was sacred. Sure tasted good, though."

Candidates For 29th Assembly District To Give Platforms At Open Meeting

First general meeting of the Campbell Chamber of Commerce will include a program on political issues and candidates. The public is invited to the meeting on Wednesday, October 18, at 8 p.m. in the Campbell library building.

Three speakers scheduled to address the group are Campbell Attorney Richard Morton, who will speak on Proposition No. Three on the November ballot, the proposal for revamping the lower courts; Charles S. Gubser and R. O. Del Mutolo, candidates for assemblyman, 29th district.

In addition, there will be reports and recommendations from both

SCOUT LEADERS COURSE BEGINS THIS WEEK

Final plans for a county wide leadership training program were prepared last week at a meeting of course leaders of the Santa Clara County Council, Boy Scouts of America. The program got underway Monday evening in the gymnasium of Herbert Hoover Junior High School, San Jose.

Charles Mitchell and J. O. Dohoney of Campbell will be among course leaders for the class.

Monday's program will be presented county fair style with fun and skill booths and an auction combining to provide basic information in the fundamentals of the Boy Scout movement. The program, beginning at 7:30 p.m., will be open to all adults interested in scouting.

Courses in cub, scout, and explorer leadership and commissioner service will be presented on succeeding Monday evenings.

Scout executives C. D. Bartlett, Frank Olsen, William J. Wadsworth and Ken Robison will serve as advisors. The program is under supervision of the Adult Education department of San Jose city schools.

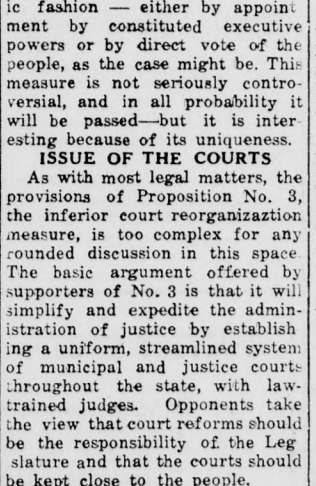
Guy Smith Represents Legion Post At 32nd Annual National Convention

Guy Smith represented Campbell American Legion Post 596 at the thirty-second annual convention of the American Legion which began Sunday in Los Angeles. Others attending from the local post and auxiliary were Mr. and Mrs. Rex Kaber, Mr. and Mrs. Maurice Burke and Mr. Marvin B. Whittler.

Other delegates from this district will be Herman S. Newman of Los Altos and Ralph Olsen, San Jose.

Some 100,000 Legionnaires and auxiliary members attended the national conclave at which the major theme was the current conflict in Korea and containment of Communism throughout the world. The convention opened officially with the Sunday memorial services, and wound up October 12.

Meeting simultaneously was the American Legion Auxiliary headed by Mrs. Norman Sheehe, national president, of Rockford, Illinois. More than 25,000 women participated in the convention activities. Highlights of the program were an address to a joint session of the convention by Louis Johnson, former secretary of defense; presentations of the legion's distinguished service medal, and the annual commander's dinner at the Biltmore Hotel, October 9.



POWER AND RESPONSIBILITY

It is interesting to note, in this General Election year, that California is one of the very few states where the voters are empowered to legislate directly for themselves on many issues thru the initiative and referendum processes. And this uncommon power to do a great deal of his own law-making in the voting booth also imposes an uncommon degree of responsibility on the California voter for the kind of laws he lives under.

AN INTERESTING LIST

This year's November ballot will include far less than the usual number of proposed measures. Some of the propositions are highly controversial, and all of them are interesting to the student of democratic government.

Among the latter, Proposition No. 2 is unusual because it would amend the State Constitution to make it impossible for office seekers to obtain government jobs through the passage of any ballot measure. It would prohibit the naming of any individual to hold any office by means of any Constitutional amendment, law, or amendment thereto, which is submited to and approved by the people.

Any such official positions, in other words, would have to be filled in the traditional democratic fashion — either by appointment by constituted executive powers or by direct vote of the people, as the case might be. This measure is not seriously controversial, and in all probability it will be passed—but it is interesting because of its uniqueness.

ISSUE OF THE COURTS

As with most legal matters, the provisions of Proposition No. 3, the inferior court reorganizaztion measure, is too complex for any rounded discussion in this space. The basic argument offered by supporters of No. 3 is that it will simplify and expedite the administration of justice by establishing a uniform, streamlined system of municipal and justice courts throughout the state, with law-trained judges. Opponents take the view that court reforms should be the responsibility of the Legislature and that the courts should be kept close to the people.

Proposition No. 4, affecting voting, is simple enough. Under present law, it is required that a voter must have 90-day residence in a county before he can vote in any given election. Proposition No. 4 would permit a newcomer to a county if he has not lived there 90 days to cast a vote in the county where he last had legal residence. There would appear to be no vital reason why a man should be barred from the polls because his moving day and election day chance to fall within a 90-day period.

The basic proposal of Proposition No. 5 is that members of the State Legislature be permitted to hold office and to serve as members of boards or commissions created to direct the spending of state funds. The intent of this measure is sound, but there is some belief that it may go much further than its proponents desired. Should the measure pass, some analysts contend that legislators would be in the unwise position of being able to supervise the spending of funds they appropriated for various boards and commissions, and thus would be combining legislative and executive functions, repugnant to the American system of checks and balances.

Teachers Give Kiwanis Program On Music History

Richard Gordon and Jack Barrett of the Campbell Elementary School District staff presented an interesting program about musical instruments for Kiwanis Club members at their luncheon meeting last week. They gave a resume of the development of wind and string instruments and played a recording of a 16th century composition for strings.

Visitors at the meeting were Twelfth District Lieutenant Governor Vern Owen of San Jose, Ron Hunter, San Jose and Hal Davis of Los Gatos.

SERVICE NEWS

Bob Knowles, son of Mr. and Mrs. J. W. Knowles, has passed the rigid examination which entitles him to the rating of Electronics Technician first class. He is stationed at San Diego aboard the flagship submarine tender of the submarine squadron. Elec Knowles graduated from Campbell Union High School five years ago.

Now at Fort Ord is BARNEY E. LEARD JR., 19, who has signed for a three-year enlistment in the Army's Airborne division. He is the son of Mr. and Mrs. Barney E. Leard Sr., 111 N. First Street. Barney attended Campbell schools, and is a member of the 1948 graduating class of Campbell High. The paratrooper was employed at Westinghouse in Sunnyvale for two years.

THOMAS W. PAYTON, 18, and WAYNE PIPKINS, two of four Campbell boys who enlisted in the services recently, were enthusiastic about the service when they dined with Tom's mother, Mrs. Leonard Payton, at Fresno recently. The two are in for four years. Both have left for training at San Antonio, Texas.

Tom, son of Mr. and Mrs. L. C. Payton, Route 2, Box 491-A, Phillips Avenue, attended Campbell schools and was employed at the General Electric plant in San Jose. His older brother, Richard, was a Navy radio officer during World War II and is now a teacher at Sonora.

Wayne, who will be 20 years old the end of this month, was also in the high school class of '48. Since his graduation he has been working at San Tomas Market. His brother, Dyke Pipkins, has taken his place at the market.

Besides Dyke, who lives at 497 Margaret Lane, the Air Force enlistee has six other brothers. One, Clyde, is custodian at Moorpark School, four are in Bakersfield and another is with the Muskogee, Oklahoma, fire department. His two sisters are also in Oklahoma.

Wayne is the son of R. D. Pipkins of Muskogee and Mrs. Stella Wilson of Arvin, California.

Coast Guard Exam For Academy Set For Feb. 19-20

The annual competitive examination for appointment to the United States Coast Guard Academy, New London Connecticut will be held on February 19-20, 1951, according to word received from Congressman Jack Z. Anderson.

The number of Academy candidates selected annually is based on the needs of the service, Anderson said, and all appointments are on a competitive basis. Candidates must not only pass the examination, but must receive a score high enough to assure appointment.

Briefly, candidates must be graduates of an accredited public high school or preparatory school or be in actual attendance in his senior year at such a school, and have already completed three years of high school work.

Detailed information on all eligibility requirements can be had by writing for the booklet entitled "Career for Tomorrow" in care of this Commandant, (PTP) U.S. Coast Guard, Washington 25, D.C.

Anderson pointed out that there is no limit in the number of candidates from any area, but necessary papers must be completed before January 15, 1951.

STATE OFFICERS RECEIVED AT JAYCEE MEET

Burr Scott of Salinas, state vice-president of the Junior Chamber of Commerce, was guest of the Campbell Jaycees Wednesday evening, as was Bill Lomas, a national director from the State Junior Chamber. Scott is Monterey County's district attorney. Lomas is from Gilroy where he represents an oil company.

Frank Pierson, Campbell unit president, conducted the meeting at Campbell High school. The program included discussion of plans for the club's annual whist party early in November, and the kids' theater party, an event to be held during Christmas vacation at the Campbell Theater.

Proceeds of the whist fete will provide funds for the kids' party and the Jaycees' Christmas basket project. Last year the Junior Chamber packed 20 baskets with an array of canned goods, chickens and toys, and these were distributed to needy families in Campbell.

During the evening Harvey Sheeder of the Golden State Milk Comopany showed a company film, "California Industry."

Board members of the club will have their next meeting on Wednesday, October 11. The general social meeting is slated for October 18. Another JC business session will be held November 1.

Teachers Attend Art Workshops

Grade school teachers of Santa Clara County have been attending a series of art workshops held at thte Cambrian School. Mrs. Ramona Fleeson, art supervisor in the Santa Clara County Schools, is in charge of the training courses.

Training has been given October 4 and 5 for the seventh and eighth grades and the fifth and sixth grades, respectively. Instruction will be given October 18, 19 and 25 for grades three and four, one and two, and kindergarten in that order.

The grades have been divided in this way to enable teachers to learn new techniques and procedures best suited to the age level of their students.

Teachers attending from the Cambrian School are Lesley Norberg, Ted Jones, Mrs. Barbara Patrick, William Hennessy, Mrs. Phyllis Strong, Paul Lozer, Mrs. Violet Pomeroy, Thompson Mead, Albert Handley, Miss Patricia Rettit, Miss Mary Fulwider, Miss Yvonne Francis, Mrs. Leslie Norberg, Mrs. Jack Smrekar, Mrs. Helen Talley, Mrs. Fred Mangini, Mrs. Kenneth McDonell, Mrs. William Bennof, and Miss Carmel LaMalfa, vice-principal.

Contra Costa and Santa Clara Counties, organized in 1850,, once had a common boundary.

One-third of all the copper used in the United States has come from the mines of Butte, Montana.

Campbell High Seeks First SCVAL Win

Bucs Meet Heavy Washington Eleven Tonight; Lose Opener To Mt. View

With football upsets seemingly the rule rather than the exception this fall, the Campbell Bucs have an added incentive when they invade Centerville tonight to meet the potent Washington high eleven.

The local lads will be definite underdogs when they square off against a line that is reputed to be the biggest in the SCVAL. Coach Jim Muir's starting line will be outweighed 10 pounds per man.

Last week both schools tasted defeat as the league swung into full action.

The Bucs, long on spirit and gumption, but short on personnel, fell before the Mt. View Indians, 28 to 0.

Washington, pre-season favorites to cop the title, were rudely upset by Santa Clara, 6 to 0. The winning tally was scored in the final three minutes of play. Another game of this type would spell "finis" for any championship aspirations that the Washington crew may have.

Featuring a powerful double-wing attack, the northerners enter the fray as a three-touchdown favorite.

Though deceptive on reverses off the Double W, the Centerville crew fares better on straight power thrusts through the middle, as their beef trust up front can justify.

Coach Muir revealed that his starting offensive line-up remains unchanged.

Johnny Hoover, Buc left end, suffered another hip pointer during the Mt. View encounter. But according to the latest reports he will be ready to go once again this evening.

The Campbell starting lineup is as follows: Hoover, left end; Kaeding, right end; Pratt, left tackle; David, right tackle; Lukehart, left guard; West, right guard; Gibbons, center; Perata, quarterback; Saia, left halfback; Calabray, right halfback; and McBain, fullback.

Following is a brief summary of the Campbell-Mt. View game:

Mt View kicked off to Campbell. Calabray returned to his own 35-yard line. Perata tried one pass which fell incomplete. Calabray kicked to the Eagles' 35. Mt. View made a first down in two plays. But they were stymied when David broke through to throw the runner for a long loss.

Mt. View punted to Campbell who put the ball into play on its 26 yard line. Saia made the Bucs' first first down to the 30. The offense stalled and Calabray kicked to Mt. View on its 26.

The Eagles made two long first downs that were nullified by clipping and holding penalties. Dick Holly did most of the ball carrying on this occasion.

The Bucs took over a punt on their 11-yard line and made a first down to the 22. After a pass was not completed. McBain ran left end for a first down to the 40. But a Buc fumble was recovered by the Eagles.

A long pass connected for a first down deep in Campbell territory. On the next play Fiorini passed for a TD. The extra point was good. Score: Mt. View, 7; Campbell 0.

Taking the ensuing kick-off, the Bucs formulated their most serious drive. With the ball at midfield, Perata connected with a long heave to Calabray deep in the left flat. Calabray was knocked out of bounds on the Eagles' 5-yard line.

But four line plays proved fruitless as the Bucs could advance only to the two-yard line. As the half ended the Eagles moved the ball away from oharm to their 30.

Score at half-time: Eagles 7—Bucs 0.

To start second-half festivities, Campbell kicked to Mt. View. The Eagles put the ball in play on their 43. From there they went all the way for thei rsecond tally. Finding a weak spot in the right side of the line, they used a series of running plays to carry them the required distance. One pass was used to augment the drive. Fullback Tom Powers bucked over the TD. The conversion was good. Score: Mt. View 14—Campbell, 0.

The third quarter ended with no further scoring.

The Eagles had the ball on Campbell's 30-yard line as fourth quarter play started.

Soon Fiorini tossed a shallflat pass to J. Sanchez, who scooted down the far sideline to score untouched. Conversion was good once again. Score: Mt. View 21—Campbell 0.

After an exchange of punts, the home team was handed its final score when they recovered a Buc fumble on the Campbell 15-yard line. Upon working the ball to the five, Fiorini jump-passed to Holly in the end zone for the 27th point. The kick was good once more. Score: Mt. View 28—Campbell 0.

The game ended with no additional scoring, although Holly ran 70 yards into then end zone on a punt return to no avail. One of his team mates was called for clipping.

The contest ended with Mt. View in possession on their 15-yard line.

Half-Ton Moose Slain In Canada By Local Hunters

A hunter's paradise that few sportsmen dare dream about was enjoyed by R. C. Herschbach, his son, Kenneth, and three other local outdoorsmen during a two-week trek into the wilderness of British Columbia.

All five bagged their limit of grouse, ducks, and deer, not to mention the numerous fish catches.

The prize of them all was a huge 1100-pound moose that was slain from a distance of 50 yards. Dressed, the animal weighed 550 pounds, according to R. Herschbach.

The quintet went up the Cariboo Trail to Williams Lake near Moose Valley, a distance of 1525 miles from San Jose proper. It took the motoring caravan 24 hours to reach its destination.

The nimrods packed in 87 miles from any sign of civilization, camping near Big Creek, B.C.

Herschbach said that the elk was killed with two shots from a 30-0-6 Winchester. One shot entered just above the antlers with the second one finding the brain, stopping the animal in its tracks.

It was revealed that three of the group had hunting licenses and the other two had fishing permits. Thus everyone had plenty of time and opportunity to indulge in their particular sport.

D. Ambler Wins Backfield Spot With S. J. Frosh

Del Ambler, All-SCVAL halfback from Campbell, has won a starting position on the San Jose State college frosh football team that gets its initial action tomorrow afternoon.

The Spartan freshmen travel northward to encounter the University of San Francisco Frosh at St. Ignatius high school.

Tom Cureton, SJ frosh coach, has had less than three weeks to work with the Spartababes. But several outstanding prep stars on the roster have upped Cureton's hopes of a successful season.

Ambler, 160-pound scatback, will start at the lefthalf spot for Cureton. Like their older brothers the Spartan young 'uns feature the T formation. Ambler is thoroghly familiar with the offense, playing under Bill Perry and his T at Campbell. Perry is now line coach at Spartaville.

County Sponsors Music Workshop

A Santa Clara County music workshop was held at the Cambrian School Thursday, October 12. Mrs. Marjory Morgan, county music superintendent, was in charge.

Schools participating besides Cambrian were Burbank, Sunol, Moreland, Union, Monte Bello, Saratoga, Lakeside, Lexington and Loma Prieta.

By JERRY THOMAS

BEST ALL THE WAY — One of the finest players to be graduated from Campbell high school is rapidly establishing himself as one of the best ends ever to play for San Jose State college.

Billy Wilson

We are referring, of course, to Billy "Snuffy" Wilson, pass catcher deluxe.

This opinion of ours as to Snuffy's prowess is shared by the more learned brains of football.

In fact, his work at end for the Spartans was so outstanding last year that the San Francisco 49ers, a professional eleven in dire need of talent, claimed draft rights for him despite the fact that he had another year of eligibility left.

This professional opinion of Wilson is just expert expression of what Santa Clara Valley fans knew several years ago when he cavorted for three seasons under the red and blue of the Buccaneers.

A three-year letterman and all-SCVAL end at Campbell, Wilson starred for the Spartan frosh before joining the Navy in 1945. He spent 19 months in the Pacific theatre as a quartermaster.

Returning to San Jose he stepped up the pace with 24 receptions totalling 325 yards and three touchdowns.

In addition to his pass-catching talents, Billy has proven to be a potent runner. During spring practice this year, Coach Bob Bronzan had the 193-pound flanker run out of the halfback slot, making use of his speed and deception.

This move was instigated no doubt by Wilson's success with the end-around. Last fall he averaged 7.6 yards on this play, scoring once on a 17-yd. jaunt.

So if the injury jinx persists among the backs at the Spartan campus, we could very well expect to see Wilson in the backfield on offense.

This year, the Snuffer has continued his rise in Pacific Coast play. One of the unheralded flankmen at the start of the season, he has made his presence felt the hard way, acquiring reckoning via the statistic sheet.

After two weeks of play he was listed among the top ten pass receivers in the country. In last week's game, against Santa Clara his pass-snatching ability created a major threat. In our opinion it had much to do with the Spartans' surprising success on the ground. Whenever Wilson went past the line of scrimmage, he was followed closely by one or more Bronco defenders who feared a quickie over the middle.

One of the persons more qualified to testify to Wilson's playing is Junior Morgan, backfield coach at Campbell high. Both men played end for two years at State.

Morgan believes that Wilson's best attributes are his concentration and determination to ocatch a pass. He forgets everyone and everything when going downfield under a pass, Morgan said.

"Snuffy has natural football sense that greatly augments his catching and blocking talents," Morgan stated. The Campbell mentor should know his onions for he was the only end to lead Wilson in pass receiving last fall. He snatched 25 heaves for six touchdowns, one more completion than Wilson.

In regard to Wilson's possibility in pro ball, Morgan had this to say. "It is the best thing the 49ers have done in a long time ,so far as corralling end talent is concerned."

Versatility could well be Wilson's monicker. He is also a letterman in basketball and according to Danny Hill, athletic news director at State, he would be a top star on the hardwood if his pigskin chores didn't interfere.

Born in Oklahoma, Snuffy is part Indian, 23 years of age, and 6'3½" tall.

To sum up his football ability in one sentence, he has the fastest offensive charge on the team, is a ruthless blocker, and one of the best defensive players around.

The Gamay grape, produced on California's cool upland country, yields a smooth, red burgundy-type wine.

Bucbabe Eleven Tames L. H. With 3 Days Practice

Showing remarkable unison and teamwork after only three days practice, the Campbell Junior Varsity eleven trounced the Lincoln Lions, 21 to 0, last night on the local gridiron.

"The entire squad looked great, taking all things in consideration," Coach Junior Morgan elated. Further emphasizing the lack of time available for practice is the fact that Morgan used only four basic plays in whitewashing the San Jose visitors.

The Bucbabes scored their first TD late in the first quarter when Harley Thompson scampered around left end from 20 yards out. Albert Yamashita made it 7 to 0 with the first of three successful conversion tries.

Quarterback Burrows passed for the next touchdown just before the first half ended. Standing on the Lions' 15, he threw to Bob Hill in the end zone.

Bill Gregg countered the final tally in the third stanza on a pretty 55-yard sprint around right end behind some effective downfield blocking.

Last Saturday against the Mt. View JV's the local lads fared for naught, losing 39 to 2. But the loss is understandable when one discovers that the Morganmen had no organized practice sessions whatsoever.

Rev. Edwin Bowling To Give Sermon At Methodist Church

Rev. Edwin Bowling will be the guest preacher at the Methodist Church Sunday morning. Mr. Bowling served as pastor of the local church for five years, from 1934 to 1939, and is now retired.

At a recent meeting of the woman's society of the church Rev. and Mrs. Bowling were welcomed into the church and community.

A large number of friends will be glad to hear Mr. Bowling preach and lead the worship on Sunday morning at 11 o'clock.

Mrs. Robert McCall will sing the solo on Sunday morning, and Mrs. David Rutherword will play the organ for the worship service.

Prescott was the first capital of Arizona, in 1864.

C's, D's Drop Loop Openers

The Campbell high schoool lightweight basketball teams barely escaped with their suits let alone their scalps last night as they tasted dual defeat at the hands of the Fremont Indians oon the Injuns' home stamping grounds.

Led by H. Shumway, the C squad (120's) fell short of pulling the game out of the fire before losing 17 to 13. Shumway was high point man for the locals with 9 counters, 4 field goals and a charity heave. D. Jordan sank one bucket for second honors. Score at halftime was 10 to 6 with the Bucs on the short end.

In the other contest that marked the beginning of SCVAL junior play, the D team (110's) fared a little worse, falling by the tune of 29 to 13. Half time score found the Bucs benind, 16 to 5.

"They say cooking's fun with an automatic gas range"

Peeling! Cooking! Never done!
Never any time for fun.
Fixing dinner half the day.
Wish there was a quicker way...
Modern ranges are designed
To lessen daily kitchen time.
Set the automatic dial . . .
Whole meal cooks in perfect style.
Hours saved and dinner's done!
Bless that range. Cooking's fun!
Find it clean and very fast . . .
Thrifty, too, to cook with gas!
Thinking of buying a new range? Have your dealer demonstrate these features of the modern Automatic Gas Ranges: automatic clock control, oven heat control, automatic burner, broiler, oven lighting, self-acting valves, large insulated oven, smokeless broilers, non-tipping shelves, balanced doors, non-rust and non-clog dual purpose burners. Best of all, amazing economy. Remember, folks, it's fun to cook with gas.
Californians cook cheaper, because P. G. and E. rates are among the nations lowest; take only 3¢ of the household dollar.

Double Sessions In Offing For Pupils In Campbell Union School District

Although prospects of new school buildings and more classrooms for Campbell Union School District are brighter now than for some time in the past, about 1000 pupils will go back on double sessions in the 1951-52 school year.

This was revealed by Superintendent William C. Henley in a talk before members of the Campbell Grammar School's Parent-Teacher Association last Tuesday night.

Henley said the district has been waiting for several months for an allocation of State funds to help finance building projects. He expects a conditional allocation of $1,500,000 to be made this month, but legal delays and construction bottlenecks probably will prevent completion of any units by fall of 1951, the original goal set.

Pointing out the growth of the district and the need for new buildings, he said that in 1944 Campbell had 23 classrooms and 1000 students. Present enrollment is 2550 students. With 63 classrooms, the district is still 13 short. Birth rate statistics show that the elementary school population will reach 4900 in 1955, even if no more homes are built in the district. He expects the actual figure to go over 5000.

Looking ahead to 1952, Henley said the district will need 125 classrooms. Five new schools are planned; four sites will be purchased. The district has bought one site on Hazelwood Avenue near Virginia Avenue.

Building plans show a similar pattern, a typical school having 11 classrooms, kindergarten, administrative offices and an all-purpose room. Rather than purchase new sites in the future, the idea is to build a small school and allow for expansion on the site.

Problems of financing construction of new schools and completing and adding to the present buildings will be taken care of largely by the expected state allocation. In order to qualify for the allocation, however the district must vote a bond issue of $235,000 to bring itself up to bonded indebtedness capacity. Henley said the plans for a bond election will get under way as soon as official notice is received that the allocation is made.

He pointed out that bonds would mean an increase in tax rate of about 10.8 cents per $100 assessed valuation, or about one cent a day on a home with an assessed valuation of $3000.

Baptist Church Potluck Supper This Sunday

"A Preview of Glory" is the topic scheduled for the Sunday evening evangelistic service at Campbell Baptist Church, Rev. Lyle E. Cushman has announced.

At the 11 o'clock morning worship hour the pastor will speak on "The Peerless Exemplar." A fellowship potluck supper will be held at the close of the morning hour. All members and friends are invited

A growing Bible school meets at 9:45 a.m. Superintendent Robert Carney has announced opening of a Young Married People's class to be taught by the pastor.

In the mid-week Bible study and prayer service Wednesday at 7:45 p.m. the pastor is engaged in a series of studies of the book of Galatians.

Hobby Craft Club meets Friday at 7:30 p.m. under direction of Larry Lewis.

More than a hundred ore and grain ships daily traverse the St. Ste Marie canal during eight months of the year.

CAMPBELL HIGH SCHOOL NOTES

A get acquainted party was given recently for the new girls, the first of its kind to be held at Campbell High.

Entertainment was provided by several girls who presented a variety of numbers. Refreshments were served and a get acquainted game was played to enable the girls to make new friends.

Members of the reception committee were Amy Nakagawa, Elaine Smith, Winnie Gomes, Gail Governale, Nada Stepovich, Frances Phillips and Katherine Jones.

Spooks' Spree is the theme of the first student body dance to be held in the high school gymnasium October 20 from 9 until 12 p.m.

Music will be furnished by the Harmoneers.

Delegates for the muture Homemakers State Conference to be held at Asilomar, were elected at a recent meeting. Virginia Bese, Joanne Kline, Pauline Volpi, Katherine Jones and Mrs. Adele Charlson, club advisor, will attend the conference on October 13, 14 and 15.

Joanne Kline will make the campaign speech for Virginia Bese who is running for state president of the Future Homemakers.

Kenneth Wallace, drama instructor, visited many famous theatres while touring Europe this summer. He sailed from Quebec a week after school closed last supper and spent the rest of the summer travelling through some 15 European countries by train and hitch-hiking. He also flew to Iceland and visited Tangiers, Africa.

Various organizations plan to have Mr. Wallace tell their members about his trip and show them his large collection of pictures taken on the trip.

New stunts and popular pieces are being planned by the cheerleaders and members of the band for half-time color during the night games.

Cheerleaders were elected by the student body following the tryouts held in the football bleachers. Those selected from the 16 students participating were George Nelson, Barbara McBain, Louise Fuque, Pat Taylor and Dianne Pardue.

Assuming the position of drum major for the band will be Elaine Smith. Majorettes are Carol Bohnett and Yvonne Barcus. Michel Mehrens, younger sister of a Campbell high school student, will also be a majorette.

The most winding street in the world is one block of San Francisco's Lombard street, with eight twists and turns between intersections.

CHURCH TO HAVE FELLOWSHIP POTLUCK SUPPER

First of the season's potluck fellowship suppers at the Campbell Congregational Church will be held next Wednesday at 6:30 p.m. in Merriman Hall.

The supper will be followed by a sound motion picture, "Second Chance." Running time is one hour and 20 minutes.

After the movie, the October business meeting of the church will be held to consider and act upon the 1951 budget.

Letter to the Editor

D. B. Seale, proprietor of Seale's Organic Gardens in Los Gatos, one of the exhibitors in the recent Santa Clara County Fair, was the proud winner of twenty-three ribbons.

He won four firsts on apples alone, Stark Golden Delicious, Delicious, Starking Red Delicious, Stark Staymared, also winesap, Burbank Hal-Berta giant peaches, apricots, yellow egg plums. Several first were received for vegetables and ten seconds for other products from his Organic Gardens.

Mr. Seale attributes his success on such a small plot of ground to his organic way of gardening. He uses fertilizer that he makes from green vegetation from his garden. He said that commercial fertilizer poisons the soil and will not use any of it in his soil. Fertilizer made from green vegetation from the soil well rotted and put back in the soil gives back to the soil the right amount of nitrogen for abundant plant growth.

Nitrogen is needed for plant life as calcium is needed for animal life. When soil is eroded (or taken from) until it is almost lifeless, it is deficient in nitrogen to give 100 per cent and needs to be built up with organic matter.

Mr. Seale uses compost (organic matter) to raise his fine fruits and vegetables and has written a pamphlet on how to make a compost heap, and has followed the directions for several years, since he retired from the U.S. Civil Service, to a great success. He has given hundreds of them away and any one who wants one may send a five cent stamp and a stamped envelope to him at 23 Ashler Avenue, Los Gatos, California, and he will mail yours to you. The reason Mr. Seale is doing this is because he wants to improve the health of the people by raising and eating food raised in the organic way.

Mr. Seale contends that fruits and vegetables raised or produced Nature's way have a far better flavor and will improve the health of man 100 per cent.

Very sincerely yours,
D. B. Seale, Prop.
Seale's Organic Gardens

Bruce Abernathy Given FFA Degree; Farnham, Kaeding Attend Conclave

Attending the 22nd annual state convention of the Future Farmers of America, held on the Cal Poly campus, as representatives from Campbell were Richard Farnham and Howard Kaeding.

Both boys won awards at this year's county fair for their livestock exhibits and are outstanding members of the local FFA group of which Howard Kaeding is president.

More than four hundred youthful farm organization leaders, representing about two hundred California schools, attended the convention.

A program was presented by the Young Farmers Association and entertainment and recreation. were provided. Business concerning rules of the organization was also discussed.

The "State Farmer" degree, highest state award, was presented to two hundred and nine boys, including Bruce Abernathy, Campbell High School alumnus. He was an outstanding student and FFA member while in school and was president of the student body. He is now attending Cal Poly on a scholarship which he won last spring for being the most ooutstanding FFA member in the western district.

Many other awards were given during the convention and a large number of the boys who received the awards are now attending Cal Poly.

New Books

KORNGOLD, RALPH
TWO FRIENDS OF MAN. 1950.

This is a dual biography, the story of Lloyd Garrison and Wendell Phillips, both of whom were agitators for the great cause of Abolition. Phillips was a wealthy Boston man, one of the bloods at Harvard College, while Garrison, on the other hand was a poor printer who wrote so stirringly for the causue in his own paper, "The Liberator", that he was dragged through the streets and nearly lynched at one tiime. Wendell Phillips became the "talker" for the cause. He was a handsome and commanding presence; his speeches were simple and direct. Later in life he continued to fight the causes; for the welfare of the Negro, for temperance, for Woman Sufferage and finally for labor. Mr. Korngold has written a skillful and fascinating biography of these two zealots, and has traced the far-reaching effects of the Abolitionist movement on our history.

SHERMAN, FREDERICK C.
COMBAT COMMAND: THE AMERICAN CARRIERS IN ....THE PACIFIC WAR. 1950.

Admiral Sherman has written a compact and accurate history of the war in the Pacific from Pearl Harbor to the final surrender of the Japanese; he naturally gives full credit to the contribution made by the aircraft carriers but enough of the land fighting is included to give a clear perspective of the Battle of the Pacific. In telling the story of the aircraft carriers, the Admiral has included many personal reminiscences, which, with his crisp comments on past achievements and lessons to be learned, add particular interest to this new history of World War II.

PT&T Enlarging Phone Facilities For Campbell

Pacific Telephone is spending more than $117,000 on new cable installation projects to enlarge telephone facilities for Campbell subscribers, W. E. Williams, telephone company district manager, announced today.

Projects under construction or nearing completion involve nearly 34,000,000 conductor feet of cable, a good portion of it being underground, and the placing of 52 new telephone poles. It will require almost 14,000 man hours of labor to bring these projects to completion, Williams reported.

Due to a shortage of the world lead supply, much of the cable is of the relatively new "Alpeth" type which utilizes aluminum and plastic instead of lead in the sheaths. "Alpeth" is a recent development of Bell Telephone laboratories. It consists of an inner layer of paper, a corrugated aluminum layer and an outer covering of a hard black chemical compound called polyethylene.

Further advance programming by the telephone company will call for installation next year of additional cable facilities at an expenditure in excess of $45,000, Williams said.

Williams reported that the number of telephones in the community have more than quadrupled in the last decade and now totals more than 2,800.

By a Congressional act in '58 California was granted 46,000 acres of land for the benefit of a "seminary of learning" and 6000 acres for public buildings.

Legal Notice

NOTICE OF HEARING

NOTICE IS HEREBY GIVEN that the County Planning Commission of the County of Santa Clara, State of California, did, by a resolution of said Commission adopted on the 16th day of August 1950, propose certain amendments to the Zoning Ordinance, Ordinance No. 120 of the County of Santa Clara, and did declare it to be its intention to consider said proposed amendments in the manner provided by law, which proposed amendments are as follows:

To amend Sectional District 10-am of the Fourteenth Unit of the Zoning Plan to reclassify certain property from an R-1:B-2 zone to a C-1 zone, said property located on the southwesterly corner of the intersection of Saratoga Avenue and Prospect Road.

NOTICE IS HEREBY FURTHER GIVEN that the Commission did set certain times and places for public hearings on said proposed amendments at which times and places any and all persons interested in said proposed amendments may appear and be heard thereon, which times and places are as follows, to-wit:

At the hour of 2:00 P.M. on the 4th day of October 1950, in the Board of Supervisors Chambers at the Court House, San Jose, California.

At the hour of 2:00 P.M. on the 1st day of November 1950, in the Board of Supervisors Chambers at the Court House, San Jose, California.

SANTA CLARA COUNTY PLANNING COMMISSION
PATRICK H. PEABODY,
Chairman.
171.14.15 — Sept. 15; Oct. 13

NOTICE OF TRUSTEES' SALE

NOTICE IS HEREBY GIVEN that on Tuesday, the 31st day of October, 1950, at 10:00 o'clock a.m., at the front door of the County Courthouse, in the City of San Jose, County of Santa Clara, State of California, ROBERT A. FATJO and W. A. WILSON, the undersigned, as Trustees, will sell at public auction to the highest bidder, for cash in lawful money of the United States, the following described real property, situate in the County of Santa Clara, State of California, to wit:

LOT Number 16 as shown upon that certain Map entitled, "Map of Orchard Villa Tract in Sec. 35 T. 7 S.R. 1 W., M.D.M:", which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on July 14, 1924 in Volume "S" of Maps, page 23.

Said sale will be made to satisfy the obligation secured by, and pursuant to, the power of sale conferred in a certain Deed of Trust executed by RAYMOND J. FLAGG and EDNA A. FLAGG, his wife, as trustors, to ROBERT A. FATJO and W. A. WILSON, as Trustees, for the benefit and security of SANTA CLARA BUILDING AND LOAN ASSOCIATION, a Corporation, as beneficiary, dated April 7, 1949, and recorded April 8, 1949, in the office of the Recorder of said County of Santa Clara, State of California, in Volume 1770 of Official Records, page 222, et seq.; and notice of breach of said obligation and election to sell said real property was recorded in the office of the County Recorder of said County on the 5th day of June, 1950, and is of record therein in Volume 1991 of Official Records, at page 108, et seq.

This notice is given in compliance with the written application heretofore made on the Trustees by the said Beneficiary.

DATED: October 2nd, 1950.

Equalization Board Collects 65% Of California Taxes

Details of the tremendous job of collecting the majority of California's taxes, and the bureau which does it, was the absorbing topic of the Rotary Club speaker last week. Jack Hayes, representative of the State Board of Equalization, told Rotarians that his board collects 65 percent of California taxes, a sum of $80,000,000 having been received during the first quarter

Cost of collecting the taxes on the first quarter sales of two and one-half billion dollars was 2 percent. Hayes said the board, which sits in August to hear complaints, maintains 56 offices constituting some 10 acres in Sacramento.

Albert Smith, agriculture head at Campbell Union High School, was welcomed as a new member.

Results of the Rotary-Kiwanis softball game which ended in a 16-16 draw were reviewed.

Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA *is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!*

IN MUCH OF THE WORLD *today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.*

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists —working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of Women's Clubs
American Farm Bureau Federation
National Grange
Veterans of Foreign Wars
National Conference of Catholic Charities
American Protestant Hospital Association
American Legion
National Association of Small Business Men
United States Chamber of Commerce
National Association of Retail Grocers
National Retail Dry Goods Association
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!
